412 Eh, what's cookin', Doc?
413 I'm not entirely sure that I've had enough rum to allow that kind of talk.
414 I farted, it's wet & I don't wanna move
415 Did you have a nice tea-break?
416 I was thinking of the immortal words of Socrates who said... 'I drank what?'

426 What, are you stoned or stupid?
427 You wanna get high?
428 We will take a little break, but we will be back in awhile... so... ehh.. don't nobody go nowhere.
429 I can't help it, I'm a greedy slob. It's my hobby.
430 No, seriously, listen. If there's ever anything I can do for you, or, more to the point, to you, you let me know, OK? –Can you hammer a 6-inch spike through a board with your penis? –Not right now. –A girl's got to have her standards.
431 You're not a eunuch, are you?
432 "I've tried everything; the Embassy, the German government, the Consulate, I even talked to the U.N. Ambassador. It's no use. I just can't bring my wife to orgasm."
433 The other day I called up my wife. I said to her, 'Honey, I've been thinking about the last time we had sex and I'm getting excited.' She said, 'Who is this?'
434 I did not have sexual relations with that woman, Miss Lewinsky.
435 There isn't a question we can't answer! –Here's one, geniuses. What's it like to kiss a girl? –Shut up.
436 No quick fix for porn!
437 You know, before you turn around you guys will be our age. –God, don't remind me. –And you'll regret every night you didn't go out and grab a little life! –Not to mention a little ass!
438 There's no crime in giving yourself over to pleasure.

444 Damn you, Internet!
445 Please, please do not push the button, you have no idea what it...(explosion) ...does
446 Oh, drat these computers. They're so naughty and so complex I could pinch them.
447 Our story can be that this is nothing more than a freakish malfunction of a highly-sophisticated global comm system
448 You know better than to trust a strange computer.
449 I think you know what the problem is just as well as I do...
450 Would you classify that as a launch problem or a design problem?
451 Could a mere computer solve the problem of Life, the Universe, and Everything?
452 Nice software!
453 The system's failed us. –The system sucks. We're going to have to go outside the system.
454 What the fuck is the internet? –The internet is a communications tool used the world over where people can come together to bitch about movies and share pornography with one another.

465 You're absolutely correct!
466 Enough! If this is what passes for conduct becoming of world leaders, I don't want any part of it!
467 I find your lack of faith disturbing.
468 So, what would you little maniacs like to do first?
469 I can see if I want anything done around here I gotta do it myself.
470 What's the matter, don't you trust me?
471 I just thought I found a way to--to fit in. --You'll never fit in!!!
472 You won't know who to trust.
473 I will bring you hope, old friend, and I ask only one thing in return: don't get in my way.

481 This is the People's War. It is our war. We are the fighters. Fight it then! Fight it with all that is in us and may God defend the Right.
482 It takes a great deal of bravery to stand up to your enemies, but a great deal more to stand up to your friends.
483 Because I'm good enough, I'm smart enough, and doggone it, people like me.
484 You're a little scary sometimes, you know that. Brilliant, but scary.

496 Let the attack begin.
497 There will be no order, only chaos.
498 Now there's another thing I want you to remember. I don't want to get any messages saying that we are holding our position. We're not holding anything. Let the Hun do that. We are advancing constantly and we're not interested in holding onto anything except the enemy! We're going to hold onto him by the nose and we're going to kick him in the ass! We're going to kick the hell out of him all the time and we're going to go through him like crap through a goose!
499 Everything is in readiness, master. We merely await your word.
500 My fellow Americans, I'm pleased to tell you today that I've signed legislation that will outlaw Russia forever. We begin bombing in five minutes.
501 Go minions!
502 Take him down minions!
503 Get them minions! Get them!
504 Ok, you people sit tight, hold the fort and keep the home fires burning, and if we're not back by dawn, call the president.

505 Roger, Bravo Delta, this is Sitting Duck. I have Bogie Queen in my sights, and I'm, uh, going to shoot bullets at it now.

506 Take what you can! Give nothing back!

507 Jesus, you were going to kill that guy! –Of course. I'm a Terminator.

508 All right, I'll take point, you two flank. Let's triangulate. –Equilateral or isosceles?

509 *Trumpet*

510 Try not! Do. Or do not. There is no 'try.'

511 You have a destiny, and now is your time to fulfill it.

512 Now let's see how destructive you are without your war weapons!

513 Hey, come on, we're superheroes. What could happen?

514 Now remember, I do my best work when I'm being worshipped as a god

515 Your assistance would be welcomed.

516 Thanks for your support.

517 We interrupt our program to bring you a special broadcast. The German news agency Transoceanic said today in a broadcast that the Allied invasion had begun. I repeat: "The German news agency, transoceanic, said today in a broadcast that the Allied invasion had begun." There was no Allied confirmation

518 Get someone else to do your dirty work!

519 Help!!! Somebody... Help!!!

520 How can you two just sit there and watch this happen?

521 You mean it's like 'if at first you don't succeed, try, try again.' –Yes. –I thought so.

522 Important assignment! (click) Important assignment!

523 So, my fellow Americans, ask not what your country can do for you. Ask what you can do for your country.

524 What are you doing? Is this one of those macho things?

525 OK, then, thank you, Mr. Know-It-All.

526 'Scuse me, national emergency! Coming through!

527 Oh! Oh! Oh! Oh! Oh, look!

528 This you gotta see to believe.

529 Taking fire, need some help!

530 Hey, I got him this far. You take over from here.

531 This is a matter of life and death!!!

532 Please help me...

533 What the hell is going on around here?! Who the hell are you people?!

534 Chicken, Aren't you forgetting something?

535 First mate Cow ready for duty.

536 How may I, in all humble servitude, be of assistance?

537 You know, I was only trying to be polite!

538 Bow to your sense! Bow to your sensei!!!

539 I have a cunning plan that could get you out of this problem.

540 Disclosure averted. Continue observation.

541 You do not understand... but you will.

542 What we've got here is... failure to communicate.

543 Ok, so what did we just figure out?

544 Then let's go where the action is!

545 His name is MacGyver. He can fix anything. He could fix a computer with a hairpin and a piece of duct tape.

546 Oh, who did this to you? This is just not right. In fact, it's nasty...

547 What in Judas-Rocking-Priest is going on around here?!?

548 This damn well better be worth it. Because if this story of yours turns out to be bogus, I'm going to kill you twice. Now you got that?

549 Well, I'd like to help, but not as much as I'd like not to.

550 Why do you listen to me when I'm wrong?

551 There you go, now your makin' bacon

552 Sorry, I guess I just got caught up

553 Time is a precious thing, never waste it.

554 It's old technology!

555 If you were waiting for the opportune moment, that was it.

556 You owe me big-time.

557 Pay attention, son, this is for your own good.
558 You're doing great guys, hang in there!
559 You defend brat don't you stop!
560 There are no stupid questions, just stupid people.
561 Who are those guys?!?
562 Why do you ask questions to which you already know the answers?
563 (gong) You rang?
564 You have made me very angry, very angry indeed!
565 It is an honor to protect my country and my family.
566 Well, now don't you bet your life on it.
567 So far, this is not blowing my skirt up, gentlemen.
568 You shall not pass!
569 Danger is over...
570 Don't make me destroy you!
571 Everything is back to normal. I-I think... I think I can go back to trying to destroy the world again.
572 This is unacceptable!
573 You're always making things difficult!
574 Who disturbs my slumber?
575 Hey, man, this don't feel right. My donkey senses are tingling all over.
576 I wouldn't do that if I were you...
577 I don't know who you are, where you're from, or what you want... but if you threaten my freedom, I'll kill you.
578 Enemy neutralized, ladies and gentlemen.
579 I don't bloody believe it!
580 Let me assert my firm belief... that the only thing we have to fear is... fear itself.
581 Please, I don't wanna go back there! You don't know what it's like to be considered a freak! Well, maybe you do.

582 All right, you ground-pounders, if it's fighting you want then you're about to get your share.
583 You think you've got what it takes?!?
584 I take that back. This is real bad
585 Huh? It's you?!?
586 Oh! I wouldn't do that. I really wouldn't.
587 Killing me won't help you.
588 You do that and I'll kill ya.
589 *Cartoon sound of running away*
590 Run for your lives!
591 Holy shit!
592 Slower n' molasses in January...
593 What are you doing in my swamp?
594 There is a weapons deactivator in effect here. Your destructive machines will have no effect.
595 No problemo!
596 Get off my land!!!
597 Well, I don't know about you, but I am planning to scream and run.
598 You know, before this is over I'm going to need a whole lot of serious therapy.
599 Hold it right there, boy!!!
600 Slow down boy. I'm trying to reload my gun...
601 Stop or I'll shoot!
602 Man, I'm so in trouble!
603 Go! Hurry! My financial future is at stake!
604 What have you done?!?
605 What was that? -I have no idea. But it would be really great if it didn't do it again.
606 I am wondering, why are you here?
607 Why is it always me?
608 (*Sirens*) One minute to auto-destruct...
609 (*Whistle*) Auto-shutdown sequence in progress...

613 OK, the battle is yours, Raymond. But it's just one battle in a huge, battly, war-thing with lots of other battles.
614 Be gone, evil one!
615 Ooh! Aah! That was really scary! And if you don't mind me saying, if that don't work your breath will certainly
get the job done because you definitely need some Tic-Tacs or something because your breath stinks!!!
616 Yes, truly, a little bribe never hurts.
617 I'm just afraid that you're going to burn in Hell for all this.
618 What a filthy job! –Could be worse. –How? –Could be raining... (thunder)
619 Look into my crystal ball to see your future... -This is not going to work cow... -Please big brother...

625 Every man for himself!
626 Exit double-quick time, stage right!
627 We're going down, Captain!
628 All you can do at a time like this is just hang on until the scenery changes.
629 Oh, boy, what a hangover!
630 Must one person's triumph be another's humiliation? -Of course.
631 (*crying*) I'm a failure...
632 Oh, don't look at me! I'm a mess!
633 I must save myself. But what can I do?!?
634 *Banjo Melody 1*

641 Don't move until it opens fire, then move fast!
642 You're acting like this is all my fault.
643 Oh, heh heh heh, my mistake.
644 I think I need a hug.
645 Never give up, never surrender!
646 This is important. The race is not yet over!
647 I'm not finished yet!
648 Oh, no, not again! Oh my! Oh my! Oh, my goodness gracious!
649 Oh, this is one of those days which the pages of history teach us are best spent lying in bed.
650 Oh, that'll teach me to say please.
651 This is not the way how I wish to be remembered.
652 Oh, Shit fire and fuck me running!

681 Leave me alone, geek-boy!
682 I'm just an untalented old has-been. -Were you ever famous? -No. -Then how can you be a has-been?

729 Oh, my god! My eyes! Oh, my eyes!
730 We're on a mission, you nit!
731 This is an extremely primitive and paranoid culture.
732 You're useless and pathetic, like a useless and pathetic thing.
733 You might want to practice a little more...
734 Losers always whine about 'their best'. Winners go home and fuck the prom queen.
735 Are you going to pull those pistols or whistle Dixie?
736 So, how did you do, pussy-boy?
737 And one more thing... The next time you talk to me like that, I'm going to rip you a new asshole so big you can be able to take a cannon up your ass.
738 I was being sarcastic, which is another big word you'll learn in school. But you wouldn't know that considering you've never attended one of this country's great educational facilities, which is a thought that just sickens me.
739 Silence, you mental midget!
740 All right, you're going the right way for a smacked bottom.
741 That is the weirdest thing you have ever said.

750 You seem somewhat familiar. Have I threatened you before?
751 I'm constantly in the state of wanting to throw up.
752 Stupid! You're so stupid!
753 Did that hurt?!?
754 Why do you have to be such a wanker?
755 Welcome to my nightmare!
756 Be my victim!
757 What would you do with a brain if you had one?
758 Just what are you sissies gonna do?!? Huh?
759 And??? What's your point!

763 Are you blackmailing me, you ambitious shit?
764 As if we care.
765 It just doesn't get better than this, does it?
766 Big mouth don't make a big man.
767 Stop now! Or I shall use more big words at you.
768 That wasn't a bit nice!

776 Ladies do not start fights... But they can finish them!
777 You have learned much, young one.
778 Oh, stop being such a drama king.
779 Blow it out your ass!
780 Come get some!
781 That plan makes no sense!
782 No, I am your father.
783 Personally, I think you're a fucking idiot.
784 X'squeeze me.
785 It's all right. It's all right, mate. We're just having a friendly little argument.
786 Wife got you down? Boss makin' you angry? Kids yellin' at you? Well, Fudge 'Em!
787 Great Scott!
788 Why do you say things that you know will hurt me?!?
789 Hush your mouth!
790 Boy, oh boy, you got a knack for getting yourself out of trouble.
791 Laugh while you can, monkey-boy!
792 Ya screw with the bull, ya get the horn!
793 My head hurts, my feet stink and I don't love Jesus!
794 I'm as mad as hell, and I'm not going to take this anymore!
795 You do and it'll be the biggest mistake you ever made, you Texas brush popper!
796 You're mocking me, aren't you?
797 Maybe that'll learn ya to keep your big mouth shut!
798 Oh, that is nasty!
799 What do you think this is?!? A zoo?!?
800 I don't know what kind of people you're used to dealing with. Nobody tells me what to do in my place.
801 Do not speak to me of rules. This is war! This is not a game of cricket!
802 There is no terror in your threats.
803 Don't bother responding. We're not listening.
804 Oh, really?!?
805 You know, we have to work on your people skills.
806 I'm sure there's a point to all of this.
807 Yeah, I could use some goddamn poontang, myself, right now.
808 The answers to these questions, and more, on next week's episode of Who Gives A Rat's Ass.
809 I said get over here boy!
810 (*laughter*) We shouldn't laugh. -We really shouldn't (*more laughter*).
811 Oh, isn't there someone else you can annoy? Friends? Family? Poisonous reptiles?
812 You're crazy!
813 Take your best shot.
814 I think you're nuts, but this isn't the best time to argue.
815 Villains, I say to you now, knock off all that evil!
816 Tsk, tsk. -Yeah, tsk. -And another tsk!
817 Oh, poor baby...
818 Bring it on!
819 Well, if that is the worst thing that happens today, I'll be thrilled.
820 It's a lie...the evidence have been falsified. I never broke the law, I am the law!
821 That is the weirdest thing you have ever said.
822 What the hell are you talking about?!?
823 (scream) What was that?!?
824 Who gives a shit?!?
825 I will not be pushed, filed, stamped, indexed, briefed, debriefed, or numbered!
826 Now, this won't hurt a bit.
827 What's going to happen? Something wonderful...
828 All your base are belong to us!

829 And now, you die!
830 The Emperor does not share your optimistic appraisal of the situation.
831 Ooh, I done a bad thing.
832 Oohhoho I am a bad boy... A very bad boy...
833 It's all in the reflexes!
834 Hands up, son!
835 They're a bunch of cowards!
836 This is too easy!!!
837 It's time to start running!
838 Strength is irrelevant. Resistance is futile. We wish to improve ourselves. We will add your biological and technological distinctiveness to our own. Your culture will adapt to service ours.
839 Freedom is irrelevant. Self-determination is irrelevant. You must comply.
840 Exterminate! Annihilate! Destroy!
841 It is done imperious leader.
842 The choice is yours: obey me and live, or disobey and die.
843 Well, you're just in time for what might be a very unhappy ending.
844 The entire world will beg to bow before me, their charismatic despot!
845 There is no escape...
846 Don't tell me you didn't see that coming...
847 Ooo, that's gotta hurt!
848 Heh, heh, heh. What a mess!
849 Why don't you take a picture? It'll last longer, ha ha!
850 Gentlemen, I give you the future.
851 Hmm. Blah-blah-blah...
852 So you get nothing! You lose! Good day, sir!
853 At last, victory is mine!
854 I told you people to leave me alone... I told you to beat it!
855 Well, there's a lesson for you...
856 Let that be a lesson to the two of you little...
857 Die you son of a bitch!
858 We're all here to do what we're all here to do.
859 Ooh, busted!
860 Some people die before their time, so that others can live... It's a cornerstone of civilization.
861 *Jukebox*
862 Intruder alert! Intruder alert!
863 Red alert! Red alert!

869 Good show... Jolly good show Major!
870 I thought you said you don't hold a grudge. -I don't. I have no surviving enemies. . .at all.
871 This conversation can serve no purpose anymore, goodbye.
872 I'd like to thank all the little people I stepped on to get where I am today.
873 Uh, l-let's pretend like this never happened.
874 Good job, Lads!
875 OK, Love you... Bye-Bye
876 Phew, well that was close, we was nearly eaten alive!
